We are very pleased to have 'Sponsorship Sept' where we are able to help two great charities - both of which provide very needed services

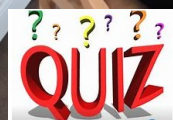

Best wishes

## Activities with Angie

Since joining the activities team, Angie has been busy adding some new sessions to the already varied activities list. In August she held her first 'Reminiscence session' to help evoke memories. She also had a 'News of the day' session, where residents joined her with their papers to discuss topical stories. However, the most popular session so far seems to have been the Quiz that she held, with resident's enjoying a celebratory sherry at the end to toast their very good general knowledge.

## Stepping out with Carers

We are sponsoring a scenic walk for carers & the people they care for, guided by the Ramblers, on Thurs 13 Sept at St Pauls Walden Bury. We will be taking some residents to enjoy the walk, which finishes with a social lunch & is suitable for those less agile or in wheelchairs.

KHM Recruitment are also supporting us, making it their charity of the month.

We enjoyed Hilary's 80th and Jean, Joan & Ivy's birthdays - each was celebrated with a tea party and cake.

Everyone really enjoyed the young Frank Sinatra when he came to sing for us all.
