## Royston U3A Uke Band Visit

We were very grateful to the U3A band that came in to sing and play for us in early October. It was a really lively session and they are now practicing their Christmas songs and will be back to play for us again in December, followed by mince pies, coffee and mulled wine.

## Silent Disco a Great Success!!

Our 1st silent disco was an amazing morning. After getting used to wearing the headphones everyone got involved, even residents in their rooms could listen to the music. The resulting video was seen by the BBC and they put a film on their website showcasing what a good time we all had. We will be booking again.

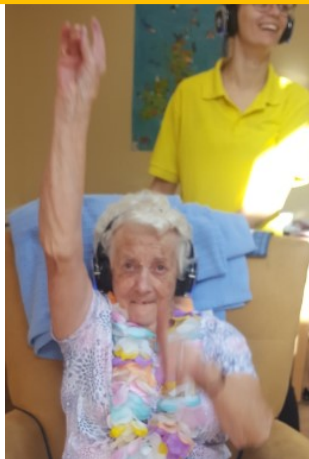

**What we have been up to in October**
