New Live Zoom Exercise classes

From 24 November, residents at Margaret House will have the opportunity to join in with a new live armchair exercise class being run by HCPA., they will be supported by members of our Wellbeing team. The class will be shared by other care homes, so hopefully we will get to see other people being put through their paces too & have time to see each other and compare notes.

Save the date!! Fri 20th Nov

This is the date for the HCPA Awards ceremony,. It is going to be live via Zoom and, if previous years are anything to go by, will be a fun filled show, with a mix of entertainment as well as awards. We have sent in lots of photos and video from the ceremony we held in Sept for this and hope that this will be featured on the night for you all to see. We will send you the link to the show as soon as we receive it from HCPA.

Garden Visits recommence

Further to our email earlier this week (which hopefully you have all seen?) Garden room visits will be re-starting from Mon 9 November.

Just to confirm, these are for one family member, which must remain the same person and the visits will be held Mon—Fri on alternative weeks for each wing, starting with Margaret House. Please call us to book your time slot.

Radio Show

We hope you enjoyed listening to the latest Margaret House radio show. The residents have all been enjoying it. Our friends at TDW who produce the show for us, have offered to do a Christmas Special featuring your messages and favourite Carol or Christmas song, so please send these in to sam@margarethouse.co.uk, as we would like to have this to play to residents as part of our build up to the Christmas Festivities.

We had a good time
