

**We are very pleased that we have all had our
1st Oxford Vaccine.**

With best wishes

Gail & Thomas Kelly

Lea-Ann wins an Award

Lea-Ann, our Social and Wellbeing Manager was announced just before Christmas as the winner of the national Apetito 'Enhancing Health and Wellbeing Award' for 2020. She beat strong competition from across the UK to win the award, with Apetito saying "we were blown away with all the different things that she & her team have done this year for the residents". We were very pleased to present her, on behalf of Apetito, with a lovely Fortnum and Mason's hamper as her prize when it arrived this week at Margaret House.

Birthday Celebrations

There were lots of lovely phone calls coming in from his wife, daughters and other relatives all through the afternoon together with lots of presents that they had already sent in so that they were ready to open on the big day.

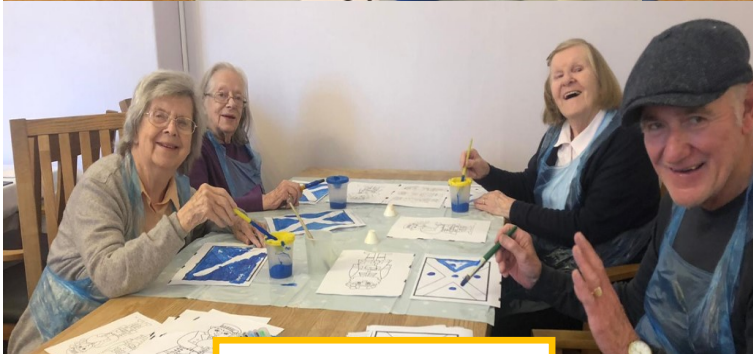

All in all it made for a very special birthday celebration for Jack on Friday.

1st Vaccinations go well

We are really pleased to report that everything went very well when we received our 1st vaccinations. The nurses at Granta did a great job! Resident's were rather pleased to see themselves on not only the local news that day, but also appearing on the BBC national news throughout most of their bulletins the next day

We got ready for Burns night and tried Haggis, neeps & tatties!!

But hedged our bets and also made our own pizzas too in case not everyone liked it!

... because we care

We enjoyed new and old games on the magic table, scrabble and some armchair exercises. As well as chatting with our DoE students who are volunteering by making weekly calls to talk with the residents

... because we care

We had a very competitive game of hoopla while we waited to get our vaccinations.
