

We hope you have been enjoying the very early spring sunshine as much as us!

Best wishes

Gail & Thomas Kelly

Nominate a Charity for us to support

As part of our 50th anniversary celebrations, we are going to be donating £500 to charity. Each month for the rest of the year we want to donate £50 to a local charity. So, please can you let us know of any local charities that your relative, you or your family or friends might like us to include. We will put them all in the hat and each month will ask a resident to pick a name out and then we will send that charity a cheque from us for £50.

What's App Calls

We are really pleased that so many of you are enjoying What's App calls with your loved one.

However, please could we ask that you do remember to call Debbie and book the call in advance. We have noticed that some people have been calling and asking to have a call there and then and it is not always possible to do this as the tablet is needed for another call.

Celebrating something from 50 years ago

Also, as part of our 50th anniversary celebrations we are looking back to 1971 to something that happened each month in that year. For February, it was the introduction of decimal currency. Residents enjoyed a morning of pounds, shillings and pence, before trying to think back to how much items would have cost in the 'new' money in 1971 compared to today's prices.

We have enjoyed lots of games and chatting together

... because we care

We made the most of the nice weather. Danced to songs from the 60's and kept up with our keep fit.

Isabelle's
pancakes
proved very
popular on
pancake
day. There
were lot of
different
choices of
topping too

February
1971

We had to put our thinking caps on to try and remember what things in our shopping basket might have cost 50 years ago.
