March Charity Donation

This month we made our 1st donation to a local charity, with Little Rescue, which helps abandoned cats and dogs get adopted being picked out the hat.

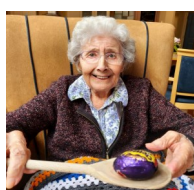

This charity seemed very apt, as a number of the staff own dogs and our pets are very important to us. Please don't forget to let us know if you would like us to include any other local charity or good cause in the future months' draws.

Celebrating something special

from 50 years ago

This month it was the launch of the iconic Cadbury's Crème Egg. We couldn't believe that this Easter treat could be 50 years old, but have enjoyed reminiscing about other favourite treats, as well as using crème eggs for Easter Baking, egg and spoon races, juggling as well, of course, as just eating!!!

The in-home visits have been going well

Thank you for all your positive comments regarding the re-opening of the home for visits, we really appreciate your support and understanding.

Our three lovely ladies each celebrated their special day with the cake of their choice and a birthday buffet

Molly's our Star Baker

We are all looking forward to the Easter weekend when Molly, a keen baker who works in our kitchen, is going to be making her own hot cross buns and an Easter Cake for us all!

We had fun with the crème eggs then got busy making some Easter cards

We enjoyed the 'Before and After' at Mel's in-house salon before the dancing began!

The ladies in Margaret House have been enjoying time with friends—drawing, playing games and chatting.

Whilst across in Phylomena it was a similar story, with scrabble, drawing games and dominoes amongst other activities, getting everyone having fun together.

Rennie, who has recently joined our Wellbeing team plays a mean game of scrabble, but his main talents lie as a singer, and he will be performing for us all soon! An online concert by the Birmingham Symphony Orchestra proved a popular afternoon with sherry and nibbles served during the interval and lots of residents attending.

The magic table had some new pictures for us to discover. We also did some pictures of our own for St Patrick's day & decorated the home with them.

We also found time to get outside when the weather was nice. Some took a stroll to look at the new Summerhouse, while others got to enjoy the company of the lovely Lucy when she came for a well timed visit on a very sunny day.
