WHAT A START TO THE NEW YEAR—With 2 Award Wins!!

Mealtime Excellence Award 2021

Sue, our Cook, was the winner of this Apetito Award. The judges commented that she won for helping to create a positive mealtime experience for her residents. We couldn't agree more—we are very proud of Sue and the rest of our great kitchen team.

Margaret House Driveway

We are pleased to say that following feedback from the Relative's meeting, the drive at Margaret House is being re-laid to provide wheelchair friendly access to the street. However, this means that there will be NO parking available in the drive from Tues 18—Fri 21 Jan whilst work is being carried out.

National Initiatives in Care Award.

As a home, we also won a National Award at the 2021 Caring UK awards.

The judges there commented that the competition had been intense, but Margaret House had shown many different innovations from introducing tablets and What's App Calls to setting up their own Radio Shows which is what made us stand out to them as the winners

Author & Filmmaker, David Elbury visits

We enjoyed a really interesting talk from David, who told us all kinds of fascinating things about the history of the Queen Mary. He then presented Heather with an updated copy of his book about the ship, which has been updated to mark the 85th anniversary. Heather was also filmed by the BBC for a piece about her time on board the maiden voyage.

There was lots going on in the run up to Christmas, including cake & card making, bingo, puzzles, scrabble & playing the new piano

We also made our own mince pies which went down very well with a cup of tea later in the afternoon.

We enjoyed a sherry or two whilst watching the Alzheimers Society's Christmas Carols via zoom and joining in with our own in house carol singing as well as when a group of local carol singers, kindly arranged by a relative, came to sing for us outside our door.

We didn't need outside entertainers to make our party a success when we had Rene and his team of backing musicians
