New Driveway Completed

The new driveway at Margaret House has been completed. This means that we now have a wide, wheelchair friendly area running from the driveway entrance to the steps/ramp by the front door.

Thomas took Joyce to inspect it and she declared that the new driveway was 'very good'!

CQC Inspection

CQC conducted an inspection at Margaret House on 6 January of our Infection prevention and control measures and visiting arrangements. This was not a rated inspection, but they are 'Assured' that all procedures are in place and correct. They published their report on 25 January and this is available to view on our website—www.margarethouse.co.uk

100th Birthday Celebrations

We have been celebrating Heather's 100th birthday with her. A very special occasion for a very special lady.

Dogs are welcome to visit—BUT

Please can we ask that you let us know if you would like to bring your pet to visit and that you only bring ONE well behaved dog— **Thank you!**
