We had a good night at the recent HCPA Awards, held at the Harry Potter Studios in Watford, where the Wellbeing Team were Finalists for the Outstanding Achievement Award. Whilst we didn't win on the night we are still immensely proud that the team was recognised in this way.

### Culture Club goes Classical

We are looking forward to welcoming classical guitarist, Justin Rogers to our Wednesday night Culture Club. Justin, who has been the resident musician at the Savoy, is going to come and play for us on Wednesday 27 July and we are really looking forward to an evening of live music

## 'The Big Step Out'

Everyday in July, our resident walkers will be going out on a different walk as part of 'Stepping Out's' the Big Step Out—a campaign to raise awareness of the country's 13.2 million unpaid carers. We are hoping to walk with school children around their field, take part in walking football, walk to the pub, meet up with people in the village for a walk, walk on the heath and many more. If you would like to join us on any day for a £1 donation to Stepping Out then please just let Sam or Lea-Ann know (or even if you would just like to donate £1 to The Big Step Out and wait to see the pictures!!)

Earlier in the month, after rain unfortunately spoilt our plans to join the village street party, we switched to 'plan B' and had a very British picnic lunch indoors instead!!

Our jubilee celebrations included a wonderful show from 'Tap around Town' and our own concert provided by Rennie—where everyone was able to join in either with singing or dancing.

The Jubilee weekend was a very special celebration—not only of the Queen's reign but most importantly for us—that all the generations of all the families connected with Margaret House could once again be together having fun and enjoying each others company
