February 2024

We hope you will save the date to join  
us for our Summer BBQ!!

Best wishes Gail & Thomas Kelly

## New Exercise Classes for 2024

After completing a detailed training course with HCPA over several weeks, Maddie is now able to run a variety of different exercise classes for residents. She couldn't wait to get started and over the coming months she is going to be focusing on smaller groups sessions held more often, to encourage more people to participate and to allow them to get some exercise in a way that they find enjoyable.

## New Fire Alarm system for Margaret House

As part of our continual programme of updating our buildings and facilities we have just had a new fire alarm system fitted in Margaret House. Whilst the old system complied with all current fire regulations, the new system ensures that we now have the most up to date measures in place with sensors that will identify on the control panel precisely where in the building a fire might be located, should there ever be an occasion that necessitated them being activated.

## New Arrival

Michelle, one of our Chefs, had only just shared her good news with us that she was pregnant. Then just 1 week later, baby Reggie, decided to arrive at only 32 weeks!

Despite his early entrance he and Michelle are both doing well and we look forward to meeting him soon!

Please put **SATURDAY 22 JUNE** in your diary—so you can come and join us for this year's **SUMMER BBQ!!**

Residents joining Barbara and her family to help them celebrate her 90th birthday with a special afternoon tea. Everyone had a lovely time and the cake went down very well!

... because we care

Our Burns night supper was made very special by the appearance of Daniel to play the bagpipes for us

... because we care

We enjoyed a drawing class with Carol and a games afternoon led by Shannon on a particularly cold and gloomy day. Now term time has started again, the school children were back to practice their reading.
