## Please support our Sponsored Walk —14 June

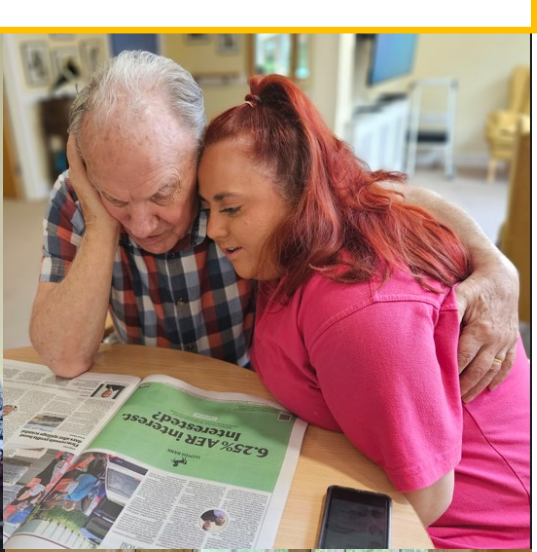

After the success of last year's sponsored walk around the gardens with the children from Barley School, we are going to be repeating the even this June. We really hope that you will all help us raise some money for a charity close to our hearts, by sponsoring your loved one as they walk or wheel round the grounds!!

For more info on the charity and this even visit [carerssteppingout.co.uk](http://carerssteppingout.co.uk)

**We got our seats early ready to watch the riders from the 'Ride London' event as they came through the village on the 1st stage of their race. Although they whizzed through pretty quickly, we got lots of toots and whistles from all the support cars that went before and after all of the racers!!**

**... because we care**

We were offered two places on a coach trip to Felixstowe being organised by our friends from the Community group for Dementia in Melbourn. The ladies that went had a lovely time but we didn't want everyone else to have missed out—so for our Supper Club this week our kitchen team recreated a proper seaside fish and chips experience, complete with the proper boxes and newspaper!

We also had a fish and chip themed quiz.

Who knew that the first fish and chip shop in the UK opened in London in 1860 and that 22% of people in the UK eat fish and chips at least once a month !!!!
