We hoping you are all enjoying the sunny weather now it has finally arrived!

Best wishes

Gail & Thomas Kelly

Resident's enjoyed a special talk

Sam's friend Sarah, who was visiting from America, spoke to residents. Having lived in four different states & also at a number of air force bases, as well as having just travelled to the UK on the Queen Mary residents had lots of questions for her and it was a very lively session. Chris from Royston Community Policing team also joined us for coffee & will be coming monthly to keep us up to date with what is happening in Royston

School children say 'goodbye'

We had an emotional morning when the children from Beech class came for their final visit at the end of term..

Genuine bonds had been made between the children and residents, The school have said how beneficial it has been to the children as well, they feel they have become more confident due to their visits to us. We are very pleased that the school are keen for this to continue so we will be starting again with the new Y3's in September

Barley Show a great success

Sam and Hazel had a great day with their stall at Barley show, our guess the number of sweets in the jar got lots of interest from

both young and old and we meet and chatted with lots of local people.

Residents also came down to see us and to enjoy seeing all that the village show had to offer.

We had to say a fond farewell to our buddies from Beech class when they came to say Goodbye—we are looking forward to meeting the new year 3's
