## Staff News for 2025

We are very pleased to welcome **Aarathy** to the full time Day Team and **Aneena** and **Alan** to the Night Care Team. **Abhiram** has also joined the

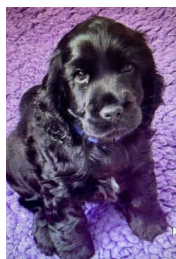

Kitchen team as a full time Chef.

We have said farewell to **Gina**, from the Night team, who is moving to be closer to her son. We have also said a temporary goodbye to **Anjana** as she starts her maternity leave—we will let you know when her baby has arrived!

.... And **Betty**, Sam's new puppy has also joined the team & will be 'working' one day a week at the home!!

## Margaret House Revamp!

We will shortly be starting work on the ground floor rooms of Margaret House. They will all be having a total makeover – with new decoration and furniture. We are very fortunate to be working with a local lady, who previously worked here & abroad as an interior designer and she is helping with the sympathetic update we have planned to ensure that it remains in keeping with the building's heritage. Later in the year we will also be updating rooms in Phylomena. If you would like to see all the mood boards to give you an idea of what we are planning or any more information please speak to Sam.
