Staff Spotlight

Purnima has been with us for nearly 2 years but has probably not been seen by that many of you as she works nights

as a Senior Carer!! When not at work she is most often found cooking—her stuffed flatbreads are delicious! She is also kept busy looking after her lovely 10 year old daughter.

We made the most of the good weather when the clarinet lady came by combining her visit with another pop up pub afternoon

Arthur and Charles from Pixie & Pickles Therapy ponies visited almost every resident when they came to see us. They were able to go up in the lift in Phylomena to meet resident's that were unable to come down. The pleasure that visits from animals give is tremendous and we are very pleased that we have a new therapy dog who is going to come to see us—hopefully on a weekly basis very soon.
