Meenu joins the Team

We are very pleased to welcome Meenu to the team. She will be working as a Senior Night Carer from the end of January, but will start working on days from the end of December so she can get to know all the residents well first.

Staff Training

During February, all staff will be attending HCPA headquarters –in order to undertake the level 2 Oliver McGowen Autism training, which is now a requirement for all care staff to complete every 3 years.

Staff Spotlight

Hafil is a carer who works in both MH & PH is and also one of our trained Medicators. When not at work he is kept busy spending time with his wife, Aleena and his lovely & very lively daughter, Thana.

Thank you!

The whole team would like to say a BIG thank you for the all gifts that you bought in for them at Christmas. They were all very pleased to get a gift via a raffle system at the staff Christmas parties— we all really appreciated receiving them and we are all very grateful.
